The following dues options are available for new and renewing members. Because of high international postage and customs increases, we are including dues discounts to international members who would like to receive communications only through email. (A link will be emailed to download Guild PDF documents from Dropbox. It is not necessary to join or download any software for Dropbox.) We encourage our US members to consider e-mail communication as well. It is a way to save expenses for the Guild on postage and printing throughout the year.

**Please choose one of the following two options:**
